Hysteria Bomb

Today was the worst

I came back home all happy
after enjoying Karaoke with Hiro,
only to find out that she was pissed off

Are all mothers like that?
Do they always need to be mad
about something?

Apparently, her reason for today's rage
was because I didn't answer my phone. lol
Then she started nagging at me about my nail
polish and grabbed my arm. @@r

She always wants me to act like she tells me to.
I'm amazed at how childish she is

I'm sure she enjoys criticizing me.
She shouts all the time,
and enjoys watching my reactions

I'm being bullied.

I need everyone to comfort me. X(

Oh, I see.

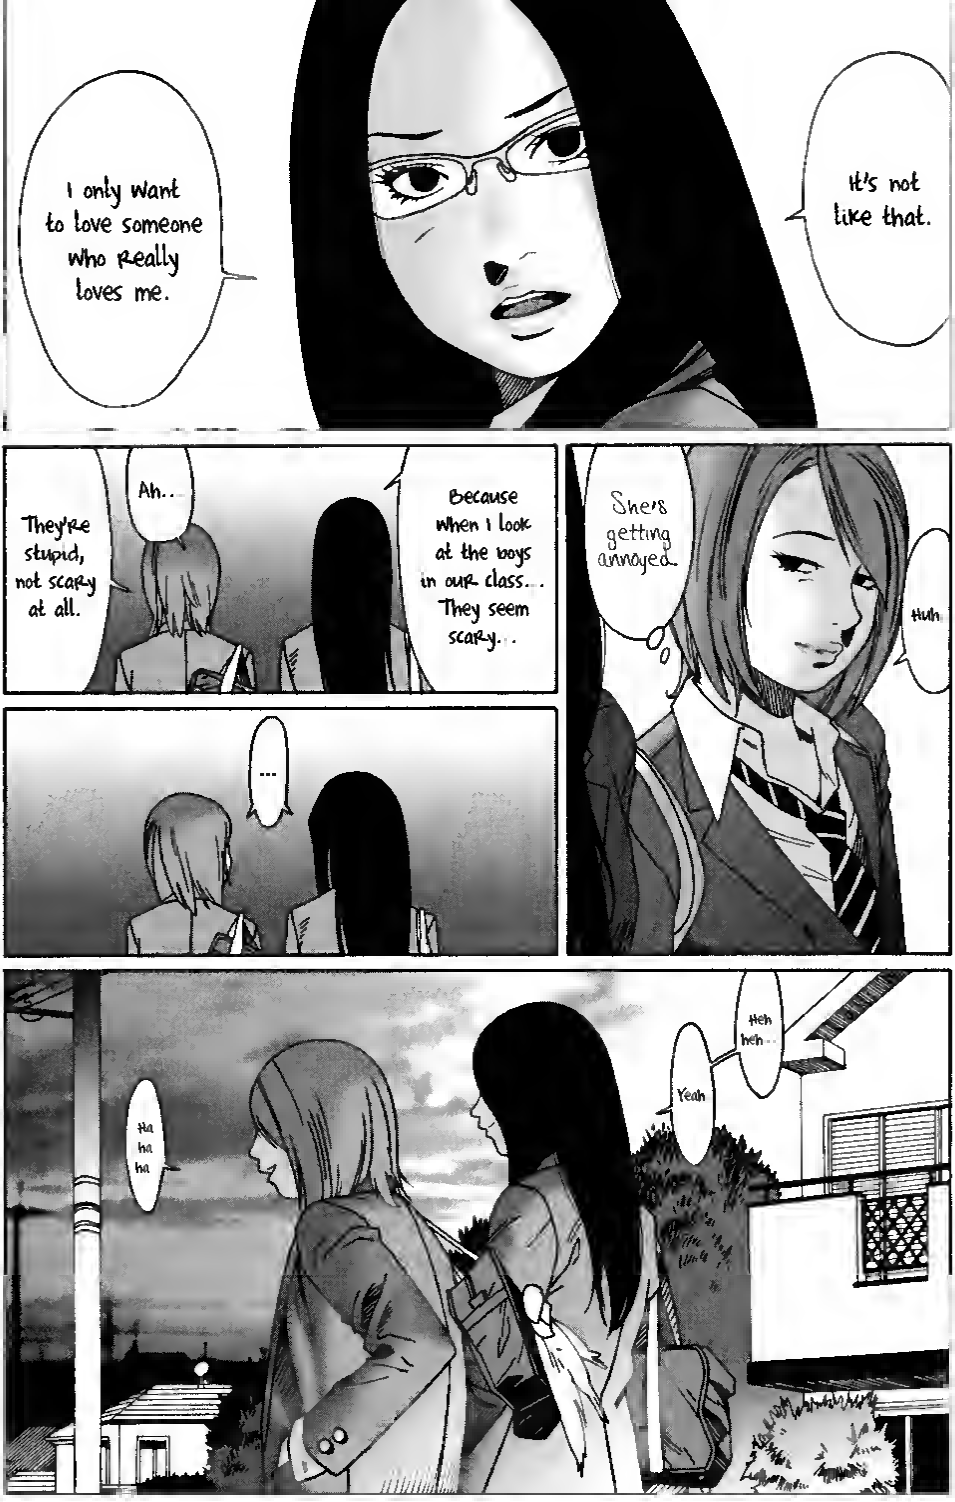
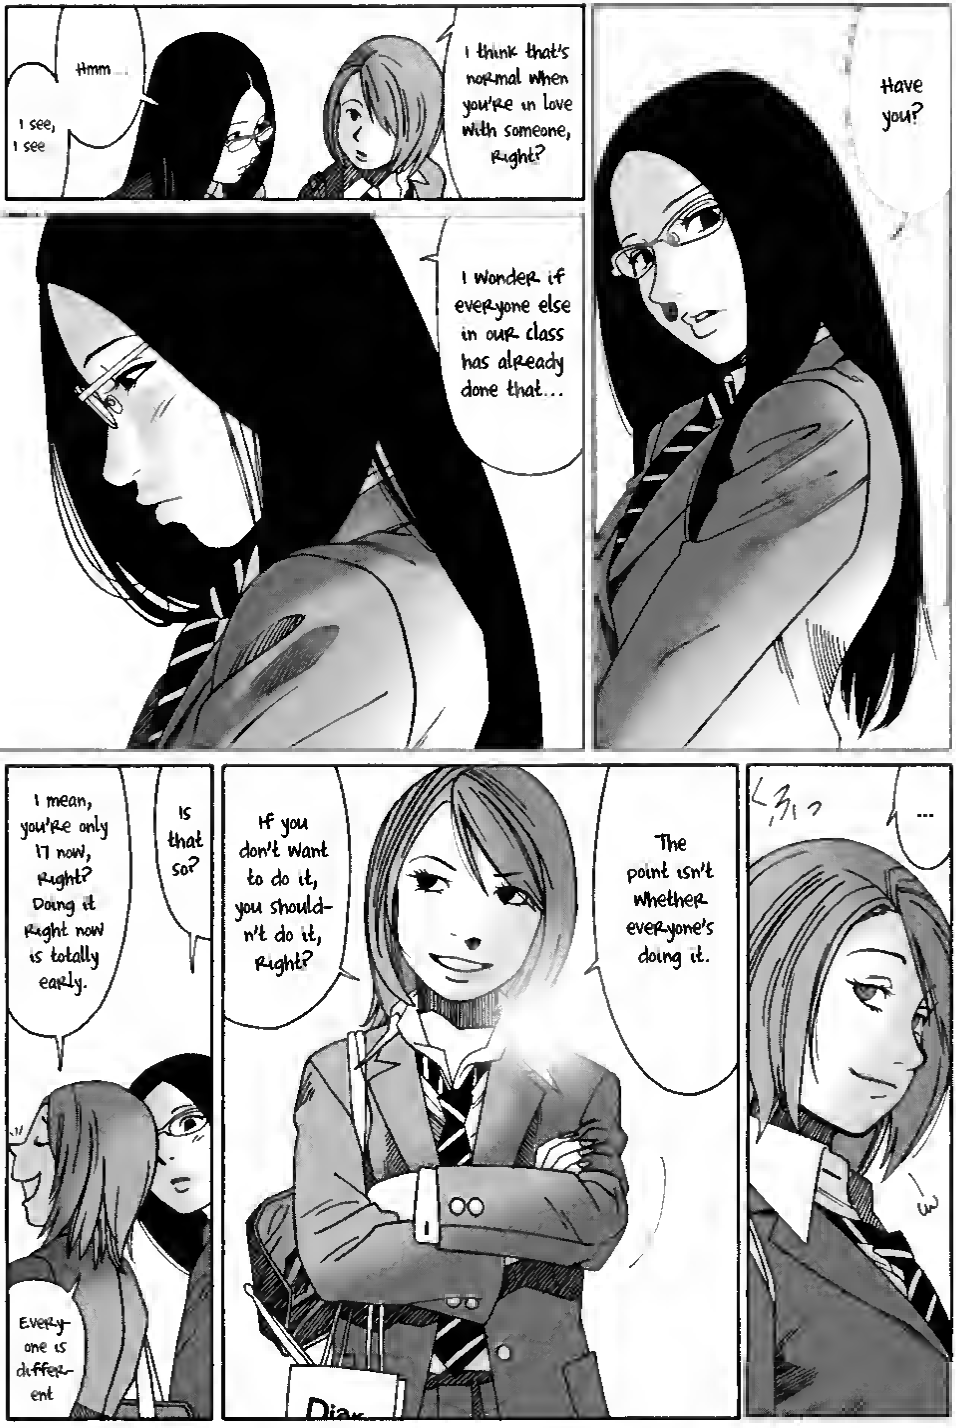
Huh
What?
Do you have a boyfriend?
Yeah, I do
I'm sure that she's never had a boyfriend before but she still sticks "at the moment" in her line.
Anyway, it's not like you need to have a boyfriend, right?
At the moment, I don't have one
...
How about you?



I only want to love someone who really loves me.
It's not like that.
Ah..
They're stupid, not scary at all.
Because when I look at the boys in our class... They seem scary...
...
She's getting annoyed.
Huh
Ha ha ha
Yeah
Heh heh...

...It's not like you have to force things though.
Maybe I can see that...
Because my parents got divorced.
If you really love someone, you really want them to love you.
I really love Hiro-kun, but...
I wonder how deep his love is for me.
Hm...
...
Hey.
Have you made love with him?
What?



Hmm...
I see, I see
I think that's normal when you're in love with someone, right?
I wonder if everyone else in our class has already done that...
Have you?
...
The point isn't whether everyone's doing it.
If you don't want to do it, you shouldn't do it, right?
Is that so?
I mean, you're only 17 now, right? Doing it right now is totally early.
Everyone is different

Huh?
It was good having this conversation with you.
You're really an adult.
Somehow, I feel really relieved.
I see...
I guess she thought differently...
Saya-ma...
What?
Did it hurt the first time?
Hey.
I see...

Re-ally?
It feels like stretching your nostrils out with your fingers.
That's it. I think that's a good example.
Because... people usually say it really hurts, right?
What do you think?
How was it?
Well...

I won't laugh
Say it.
What? I didn't say anything to anyone today. Remember?
I know. But...
Promise me you won't say this to anyone

I just wanted to check to see if when I kiss...
Uhm... Well...
whether my glasses will get in the way or not...
Didn't you say that you wouldn't laugh?

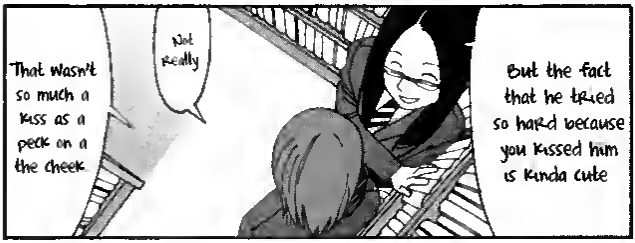
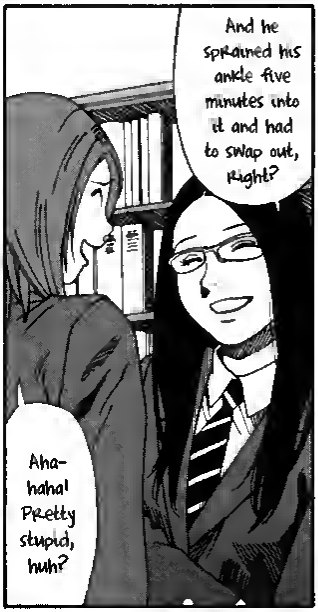
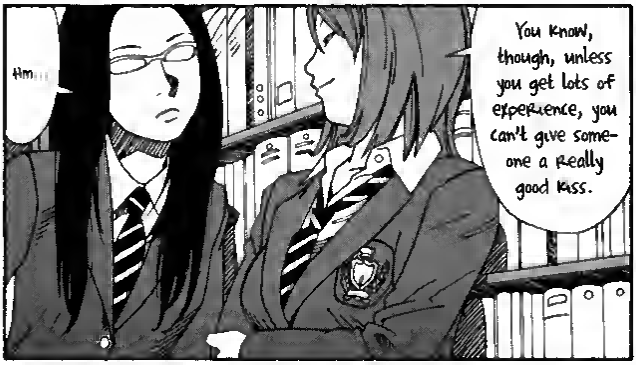
Oh yeah, that story you told me the other day about your first kiss was pretty funny
Ahaha
It's true though. So he tells me that if I kiss him he'll be sure to win at the next day's meet
So, I kissed him, and the next day went to watch the meet



Not really
That wasn't so much a kiss as a peck on a the cheek
But the fact that he tried so hard because you kissed him is kinda cute



And he sprained his ankle five minutes into it and had to swap out, right?
Aha-haha! Pretty stupid, huh?



Hm...
You know, though, unless you get lots of experience, you can't give someone a really good kiss.

Oh...
Yeah...
So what'd you want to talk about today?
Anyway,

Yeah, but there are other things besides that...
Like moving your tongue over his gums, or the back of his tongue
Like... tongue licking?
Like...
Uhm...
Uh...
Yeah...
Should we keep going and talk about making out?
Okay, did you know that when you're making out, you don't just stick your lips together to kiss?
Can you think of anything else to do?
And just when you're about to pull it out, you suck his tongue with yours
My third boyfriend was a really good kisser
He taught me a lot of things.

Hey, Miki. Try covering your ears and moving your tongue around in your mouth.
My favorite thing is kissing with your ears covered
Your head's full of sexy sounds now, right?

If I can make an A-plus student like Miki look like that, then I'm totally an adult.

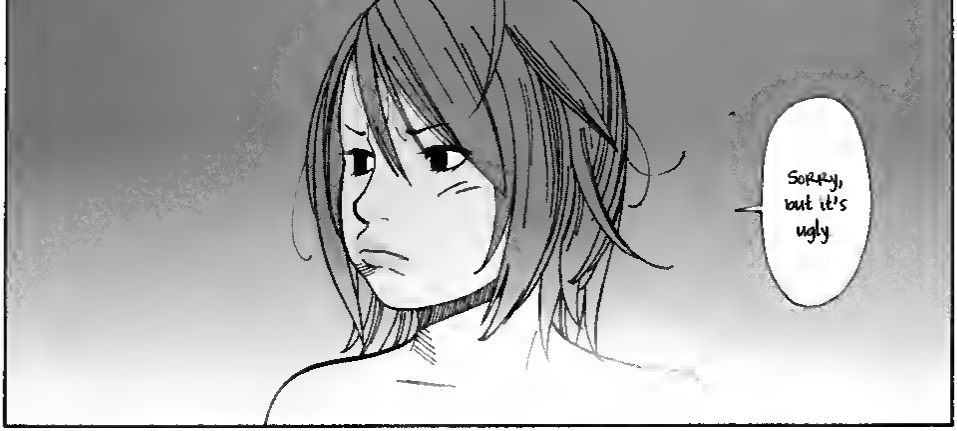
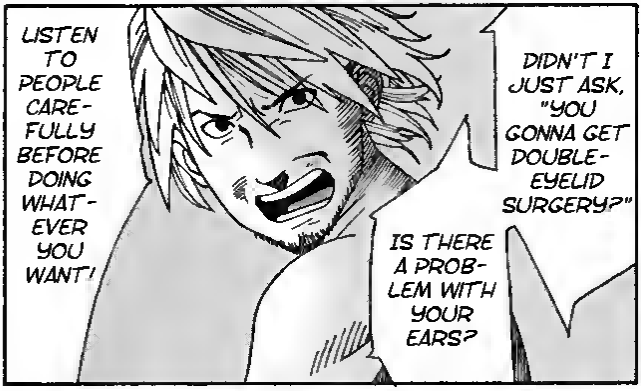
It supposed to be simple. My friend's girlfriend got it done.
What?
You gonna get double-eyelid surgery?
What? Your friend's girlfriend?
You know, having double eyelids looks good.





LISTEN TO PEOPLE CAREFULLY BEFORE DOING WHATEVER YOU WANT!
DIDN'T I JUST ASK, "YOU GONNA GET DOUBLE-EYELID SURGERY?"
IS THERE A PROBLEM WITH YOUR EARS?

Yukari's Diary

no title

In the middle of our date today, Hiro-kun asked me "Have you thought of getting double eyelids?"

It kinda made my good mood disappear

I do prefer double eyelids over single, but that means I have to put on more makeup. What's more, I'm scared of cosmestic surgery.

At the moment, I'm wondering if he loves me 100%.

Last time we went to karaoke...
This time I don't remember doing anything other than having sex.
Eh?

Huh?
Uhm...
Have you ever gone anywhere, Yukari?
I've always wanted to go to Disney Sea.
I decided that I want the first time I go there to be a date, so I've been saving it.
Somewhere apart from Disney Sea?
I can't handle long train rides, and I have to consider the time it takes to get back home.
We just think about the time we spend together...
We don't really go to any special places, but we still spend a lot of happy times together...
The date I want to have...

That's impossible. He's always provoking me from afar.
Such an annoying person Yesterday, too...
"Oh? Your voice is gentler than last time." What do you think about that line?
The other day he complained about the way I talk to people on the phone - it drives me mad.
That's why I said, "When you look around you, you only see..."
And he kicked it on purpose.
I only put my bag in the aisle for a bit, but he still nagged me so bad for it.

DO YOU THINK YOU CAN LIVE BY YOURSELF?
YUKARI? WHAT'S THAT YOU'RE SAYING?
I HAVE TO TRY MY HARDEST LIKE THIS SO I CAN SUPPORT YOU EVERY DAY!
You can wait till daddy comes home and tell him
I don't want to hear that story anymore. It's dinner time.
IT'S NOT LIKE I WANTED TO BE BORN INTO THIS FAMILY!

Did something happen?
You look different than usual, somehow...
Huh? What?
What happened?

Geez, it's fine Stop talking about that boring stuff already.
It doesn't seem like it's "nothing"
I should just forget about it.
Yeah... just be normal.
Nothing
"My mother got angry"
I'd be ashamed to say that.

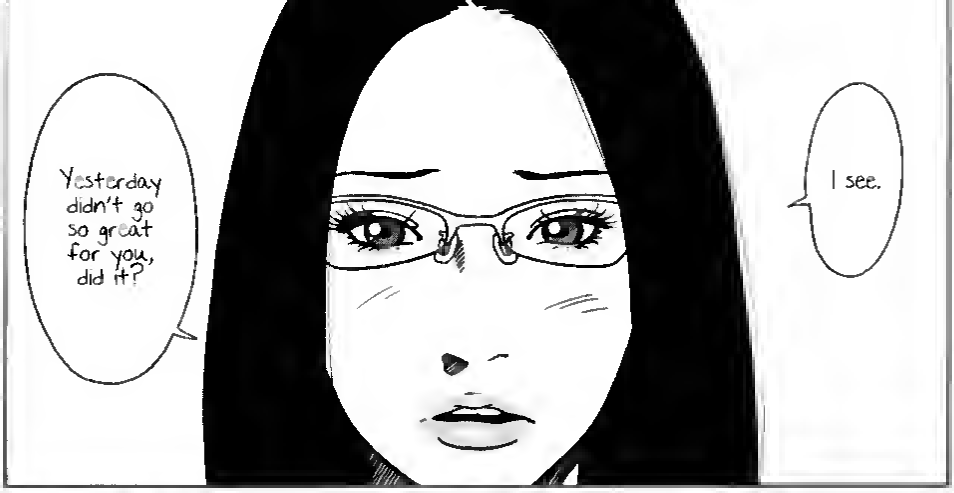
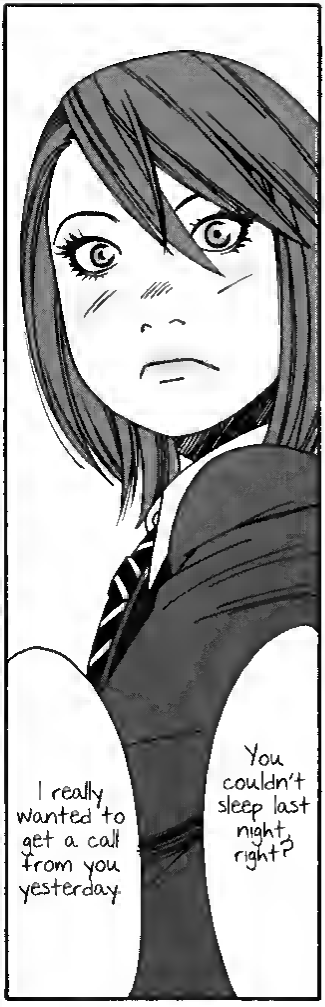
I'll hear you out.
It's not boring. Because it's your problems...
All right—
...

Well, I feel...
My mom... how do I say this
Uh...
It's like she treats me as a pet
Um...
Some-how...
...
She only ever thinks about the ideal me.
The real me isn't worth worrying about
That's how it feels... sorta.
What's with this?
It's not like our usual conversations...
The words aren't coming out
I wonder how Miki will react to what I said...
I can't see her face
It's scary
Anyways, that's all
Having a stupid mom is such a pain



Yesterday didn't go so great for you, did it?
I see.

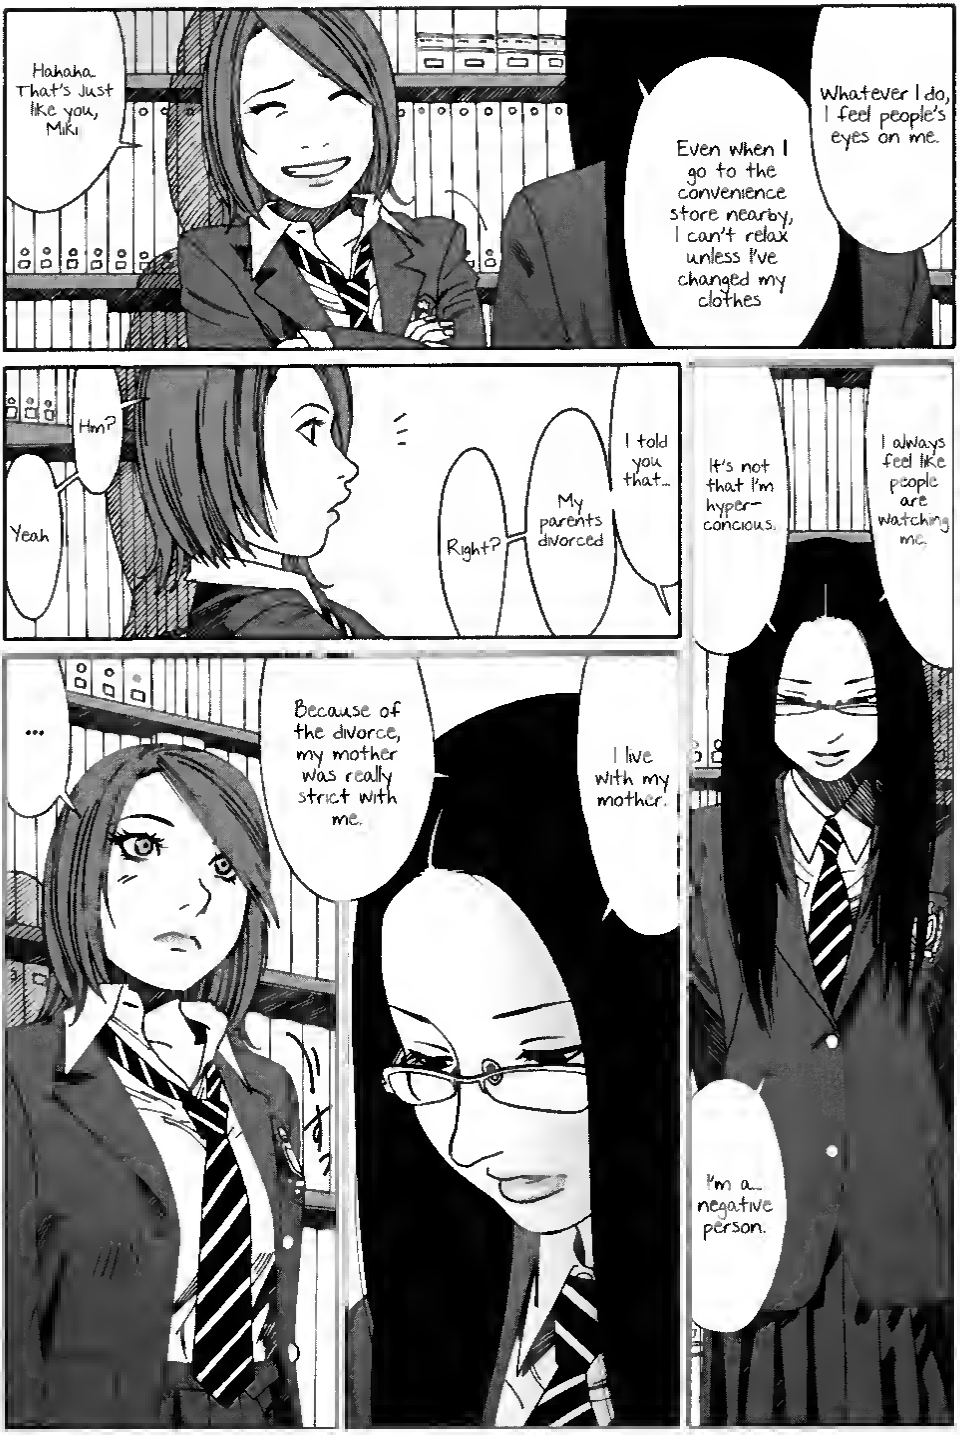
If that happens again, remember to call me.
okay?
You should have called me...
I might not be able to give you good advice, but you don't have to suffer all alone.



You couldn't sleep last night, right?
I really wanted to get a call from you yesterday.

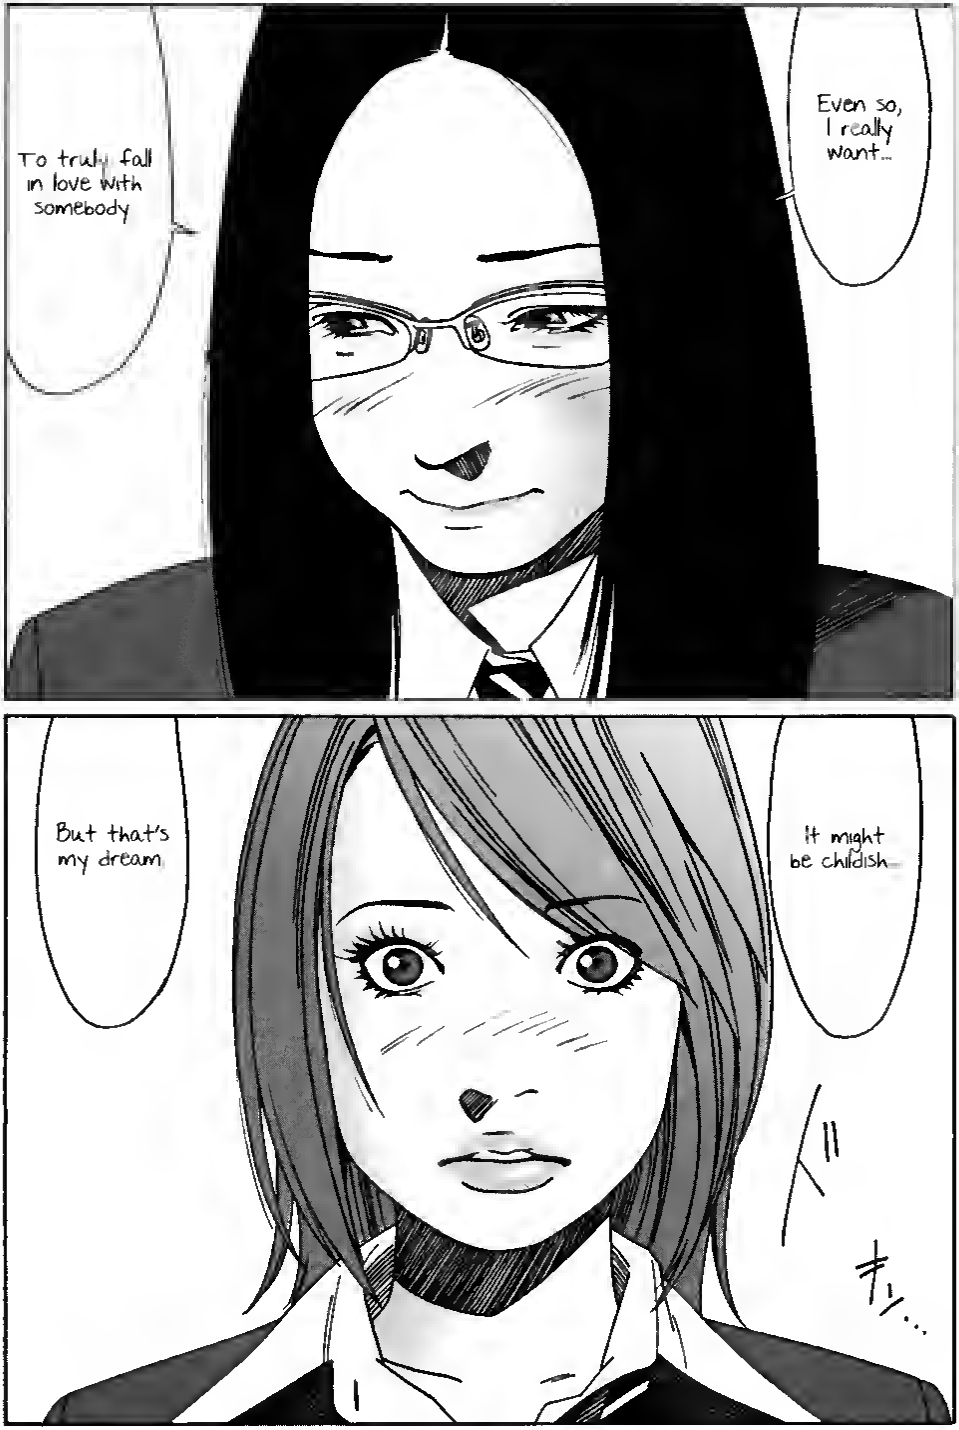
It's okay. It happens all the time.
...
Crap
I'm so happy
I wanna move in with him
Ahh... You know...

Huh?
But marriage is annoying, isn't it?
Living together for 17 years is enough for me.
You know, I'm sick of living in that house.
Move in together? With your boy-friend?
Yeah, it might be dif-ferent
Aha ha...
Why do you want to move in with him? What about marriage?
Huh?
I'm really moved by your resilience, Yukari



Whatever I do, I feel people's eyes on me.
Even when I go to the convenience store nearby, I can't relax unless I've changed my clothes
Hahaha. That's just like you, Miki
I always feel like people are watching me.
It's not that I'm hyper-concious.
I'm a... negative person.
I told you that...
My parents divorced
Right?
Hm?
Yeah
I live with my mother.
Because of the divorce, my mother was really strict with me.
...

Even when my friends come to my house, my mother always sends them away
Because she does that, I can concentrate on studying, and so my grades are good
But she never noticed that I was lonely
Seriously, I don't know what to do
I only exist as an 'excellent student' Aside from that, I'm nothing
But...
But...
Though I can't stand it anymore, I don't have the courage to escape from it
That's why I can't even find somebody to love



To truly fall in love with somebody
Even so, I really want...
But that's my dream
It might be childish...
キリ...

I was really happy.
I was saved by those words
Didn't you say that when we first went home together?
"It doesn't matter if you have a lover or experience or not. Everyone is different."

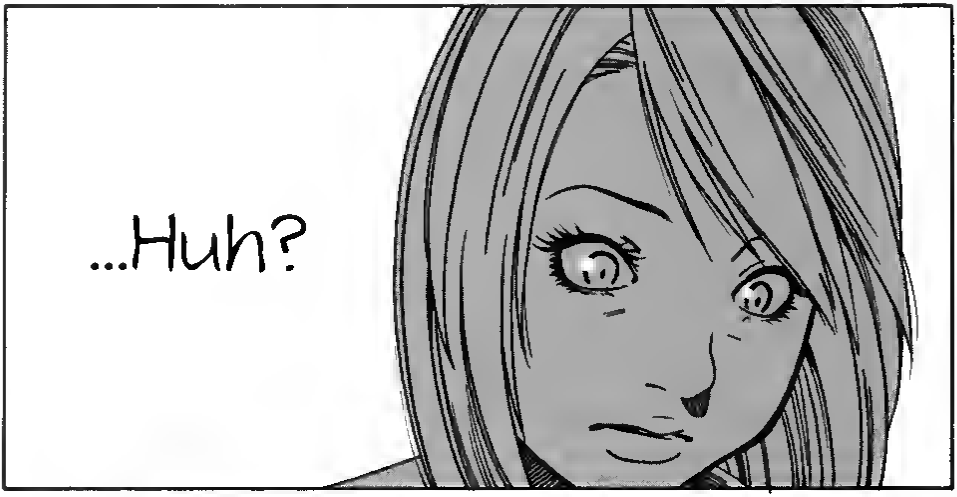
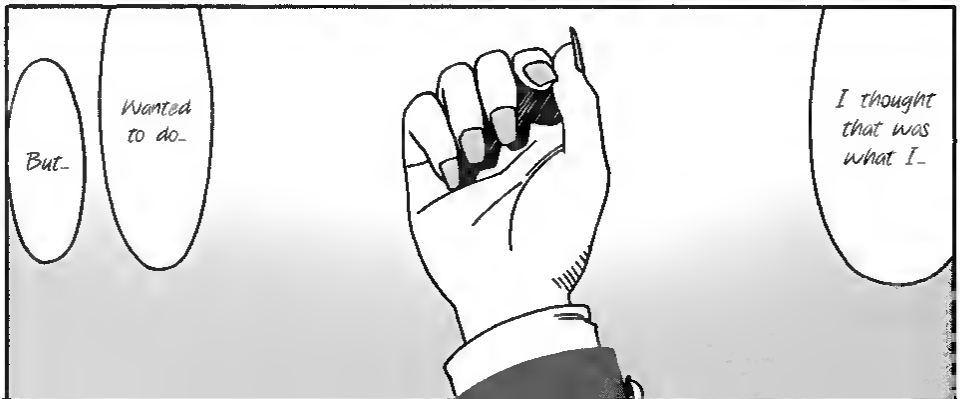
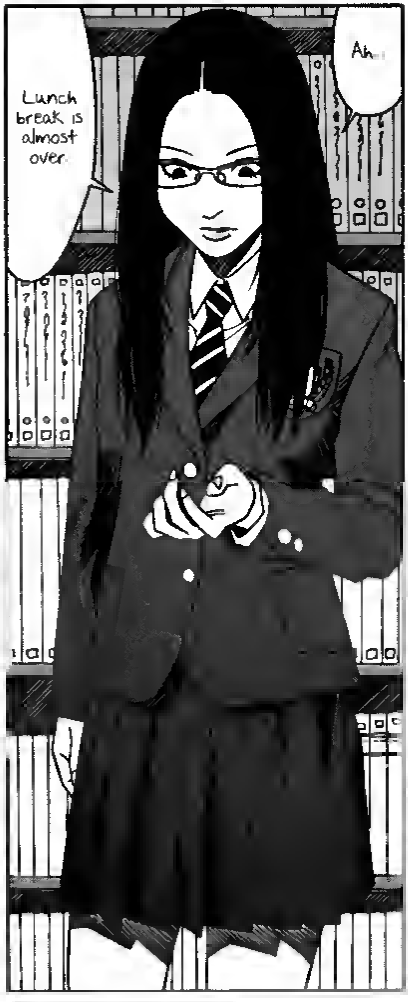
They're white
And really delicate
Ah In some way..
Miki's hands are beautiful
So nice.
They kinda look like cherry blossom petals
Her nails are short and cute



That's right. It's my life.
I do what I want to do.
I don't want to be mom's puppet anymore!



Was just my way of rebelling against my mom
Maybe painting my nails or whatever...
Maybe that's not it.



Ah...
Lunch break is almost over.

How can I think Miki's hands are so beautiful and nice, when they're the complete opposite of mine...
Because otherwise...

Let's go, Yukari.
"Though I can't stand it anymore, I don't have the courage to escape from it."

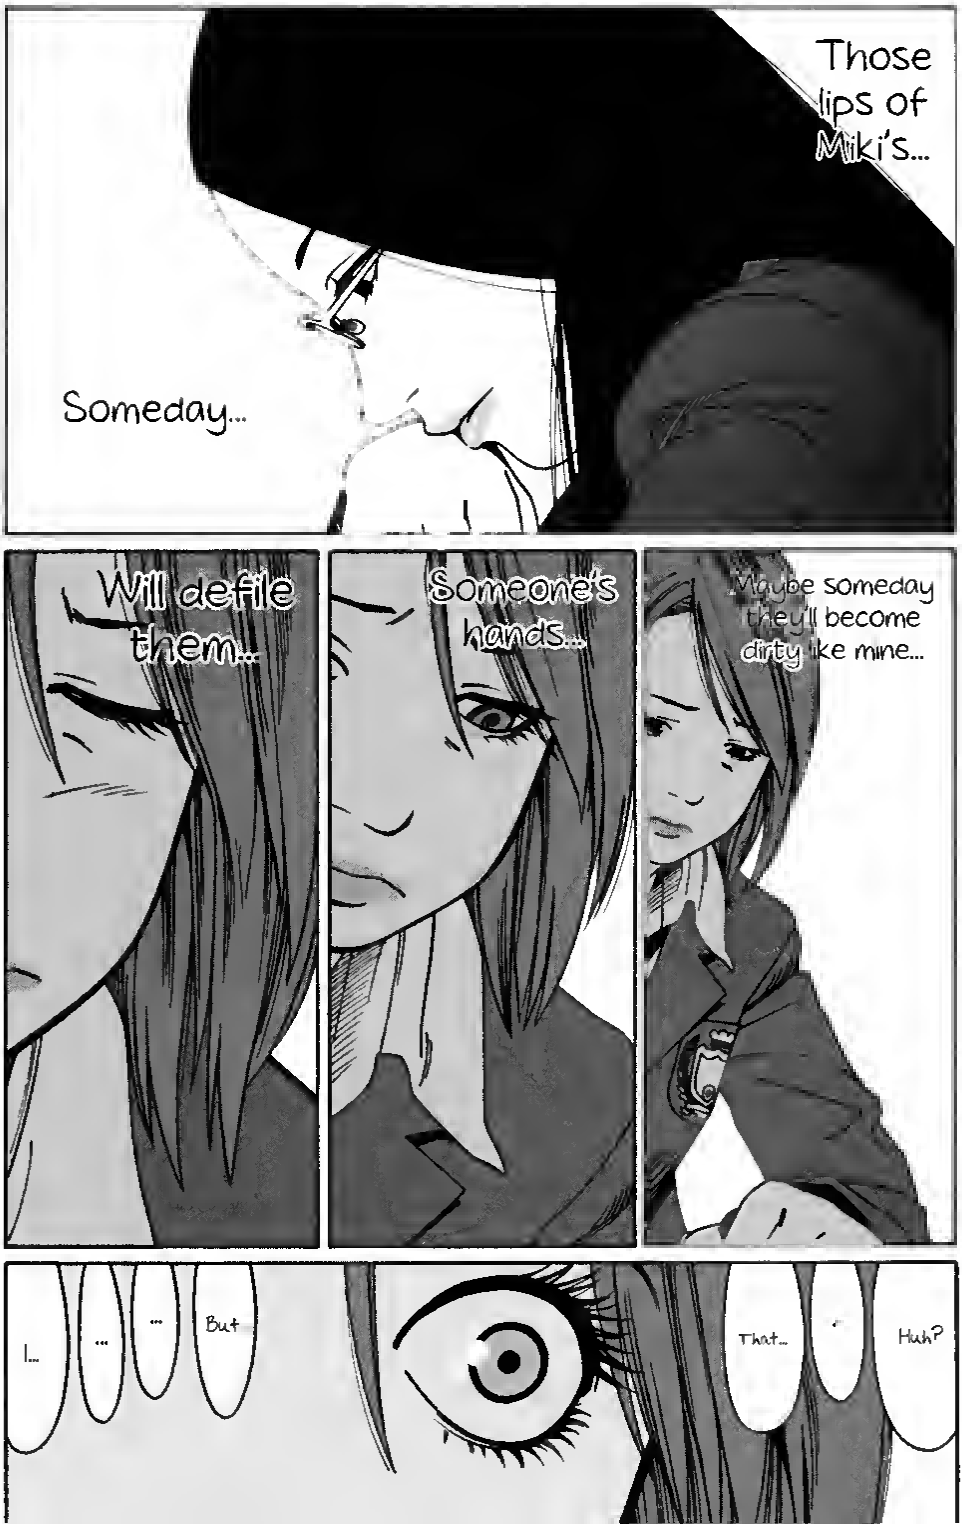
Been soiled..
My lips have definitely...
!
!!



Those lips of Miki's...
Someday...
Will defile them...
Someone's hands...
Maybe someday they'll become dirty like mine...
I...
...
...
But
That...
Huh?

I...

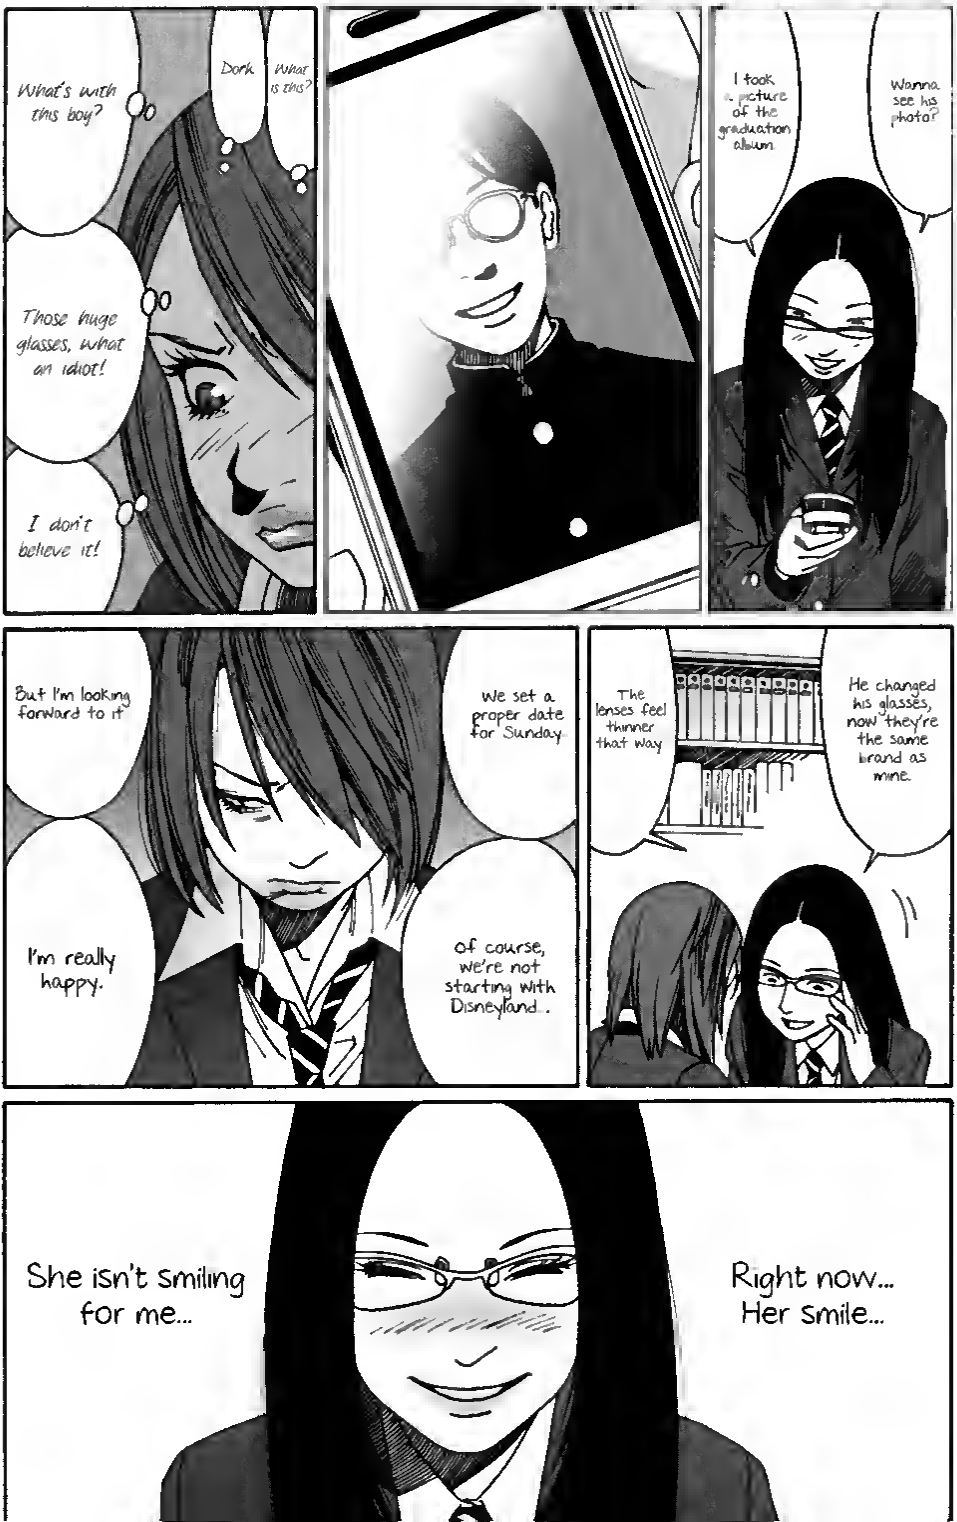
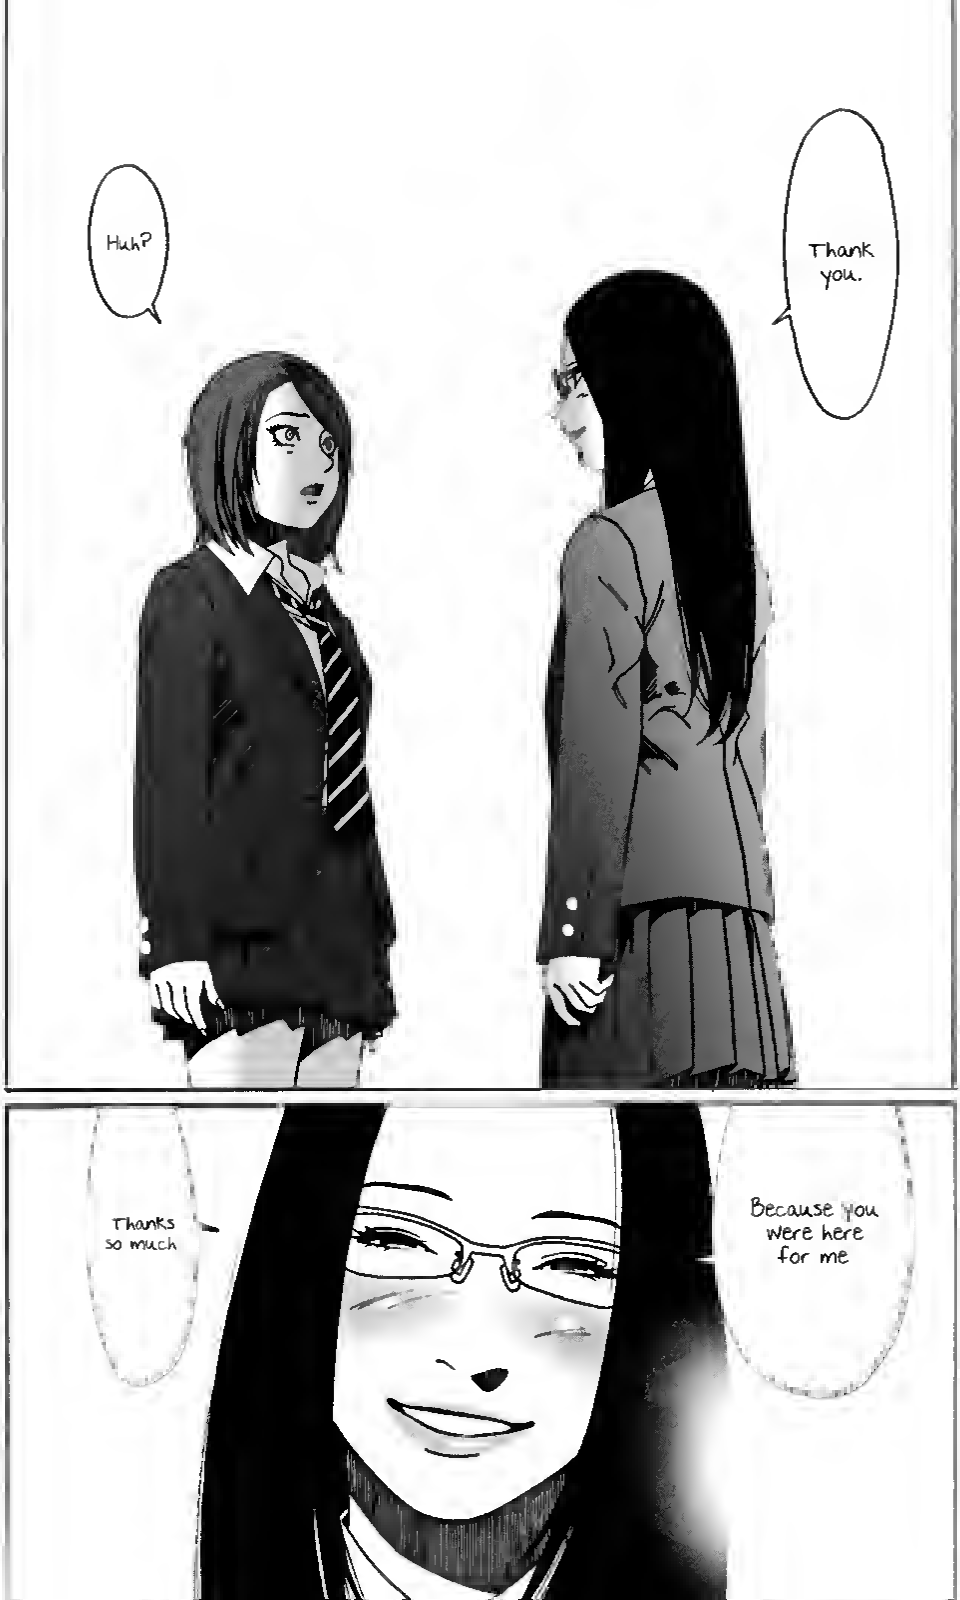
WHAT?! ARE YOU SERIOUS?!
スー スー
カリ カリ カリ
You got a boyfriend?!
Are you serious? Is it true?
Yukari
You're too loud!
But... but...

Yeah
Yes-terday
Really? Who? Someone in our class?
No, he's a senior who was in my club in Junior high
I didn't notice, but he saw me last week, near the station
Then he found my phone number from the graduation album and got in touch with me on Sunday.
But hasn't it been two years since you graduated?
Why hasn't he contacted you 'til now?

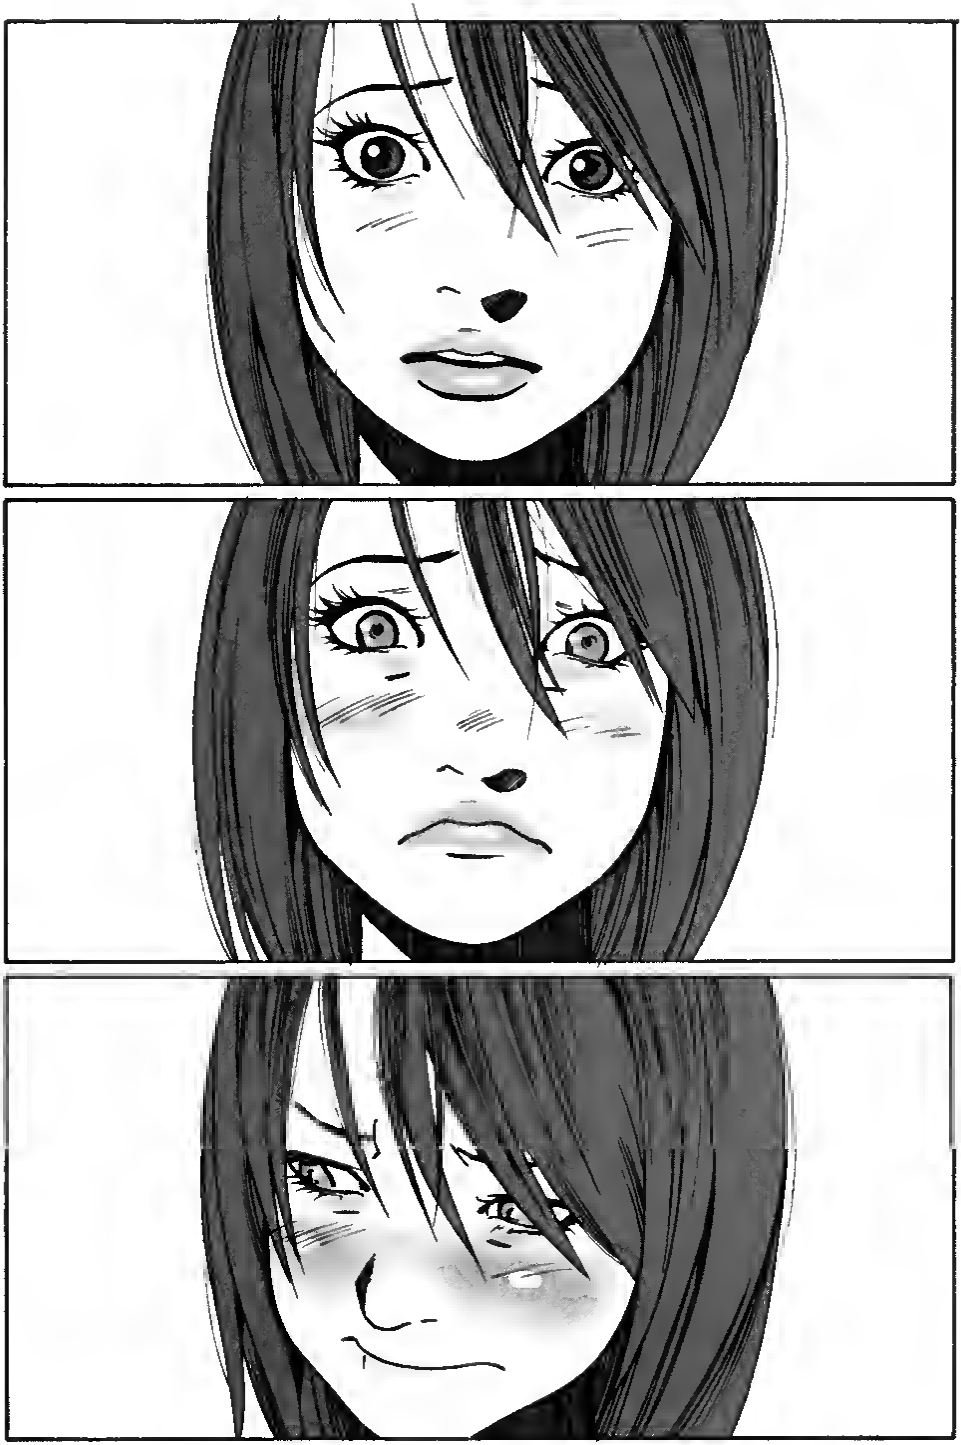
We were good friends during junior high, too.
But we were both late bloomers, so we didn't notice each other in that way back then.
After graduation, he thought about me, too.
He couldn't bring himself to say anything, though.
But he said he decided to contact me after seeing me at the station.
So, last night we met up and talked...
He.. asked me to go out with him.
Yesterday was really dramatic, in a way.
...



What's with this boy?
Dork
What is this?
Those huge glasses, what an idiot!
I don't believe it!
I took a picture of the graduation album
Wanna see his photo?
But I'm looking forward to it
We set a proper date for Sunday
I'm really happy.
Of course, we're not starting with Disneyland..
The lenses feel thinner that way
He changed his glasses, now they're the same brand as mine.
She isn't smiling for me...
Right now... Her smile...

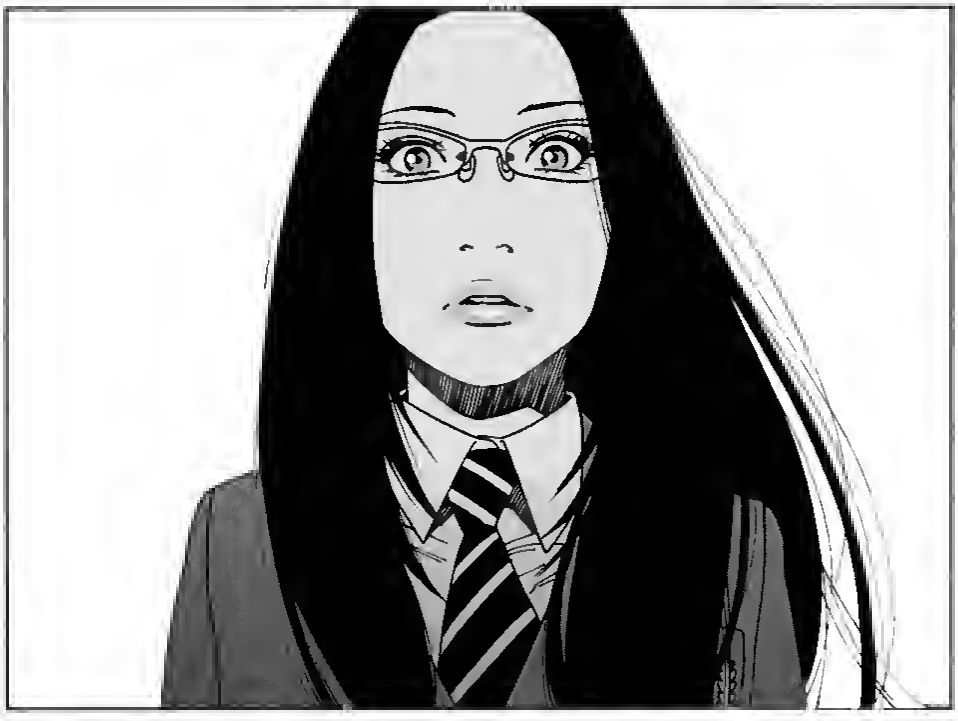


Huh?
Thank you.
Thanks so much
Because you were here for me



So...
I'm already useless to you, huh?
Huh?
What do you mean?
Because...
From now on...
You'll be spending all your time with him
It's okay. Everyone does the same.
When you have a boyfriend, it's always the most fun to spend time with him.
That won't happen. I won't change.
We'll still spend our lunch break together...

I DON'T NEED YOUR SYM-PATHY!



It's fine, whatever.
She can have all the fun she wants with that dorky boy
Whoever... Whoever my friend decides to date...
Is none of my business!!

CHAPTER 4

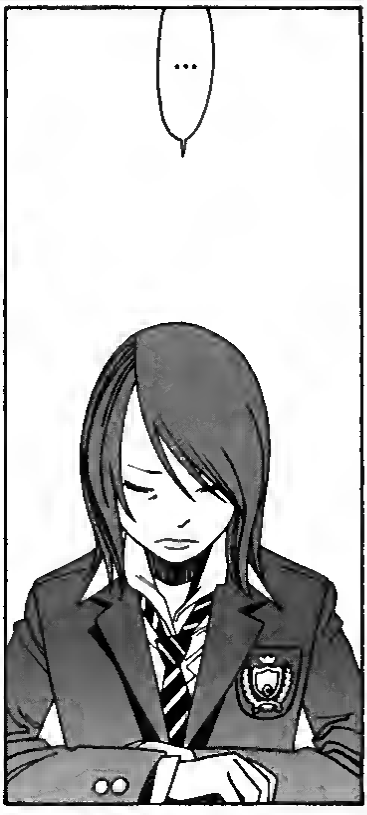
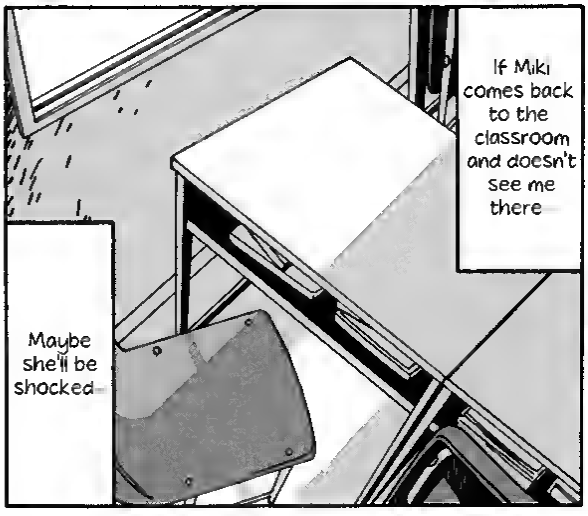
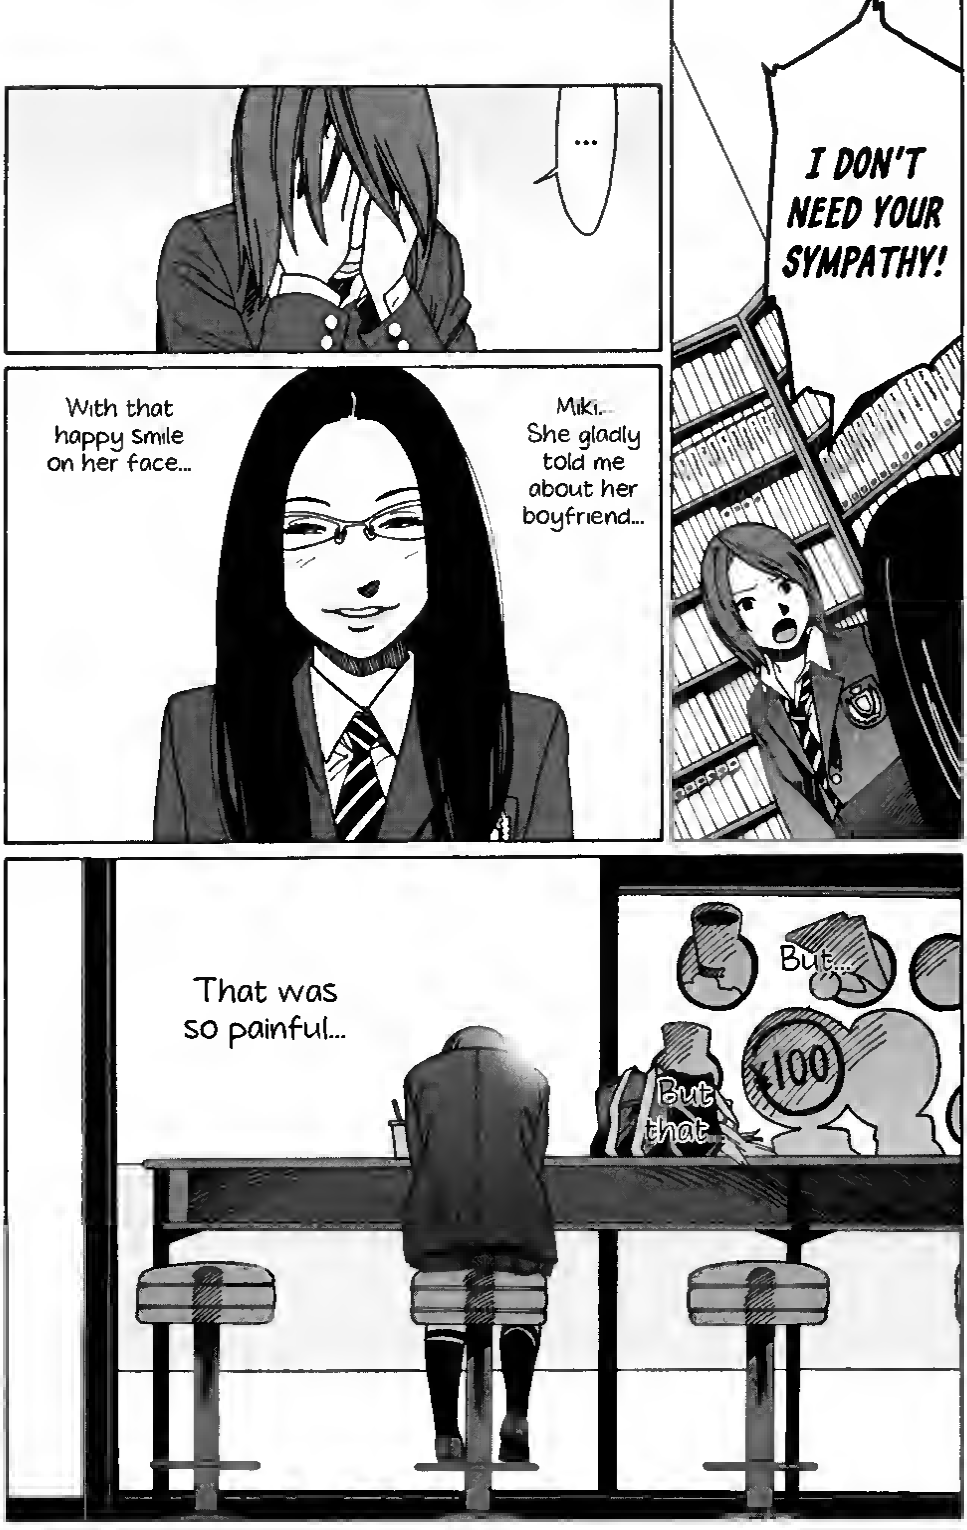
...
Afternoon classes will start soon...



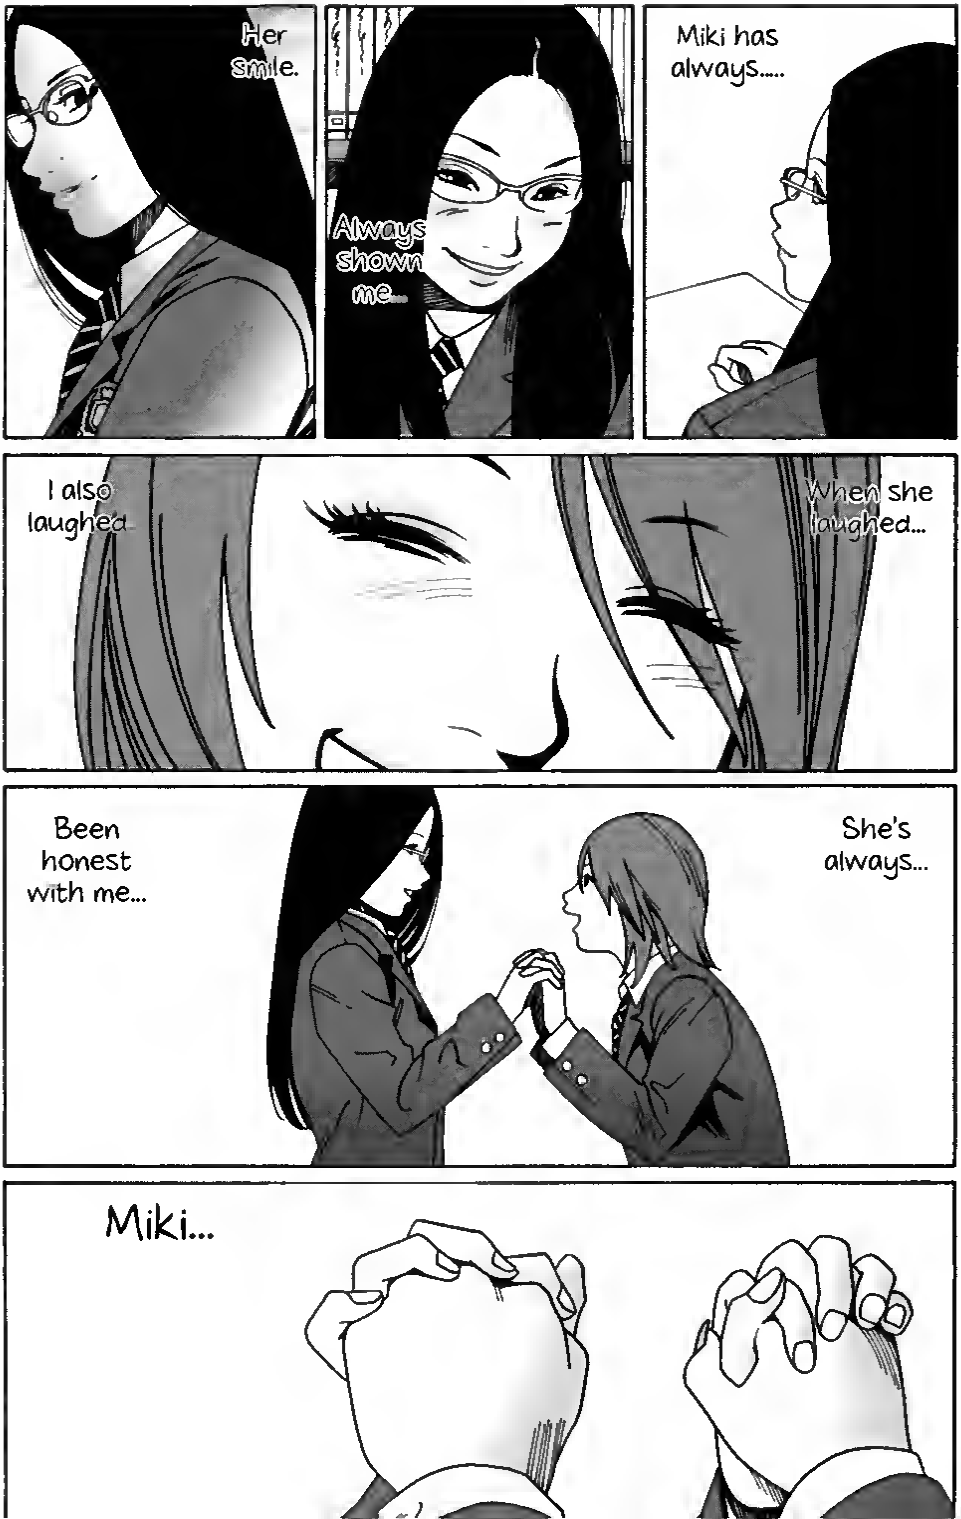
...



If Miki comes back to the classroom and doesn't see me there
Maybe she'll be shocked



...
I DON'T NEED YOUR SYMPATHY!
With that happy smile on her face...
Miki... She gladly told me about her boyfriend...
That was so painful...
But...
¥100
But that...



Her smile.
Always shown me...
Miki has always.....
I also laughed
When she laughed...
Been honest with me...
She's always...
Miki...

She's gonna go away!

That would be really terrible!
That would be terrible...
Miki's smile...
That's right
That's not right...
Not right at all...
I'm so stupid
If I crush her happiness, that...
Whether my feelings toward Miki are love or just possessiveness doesn't matter.

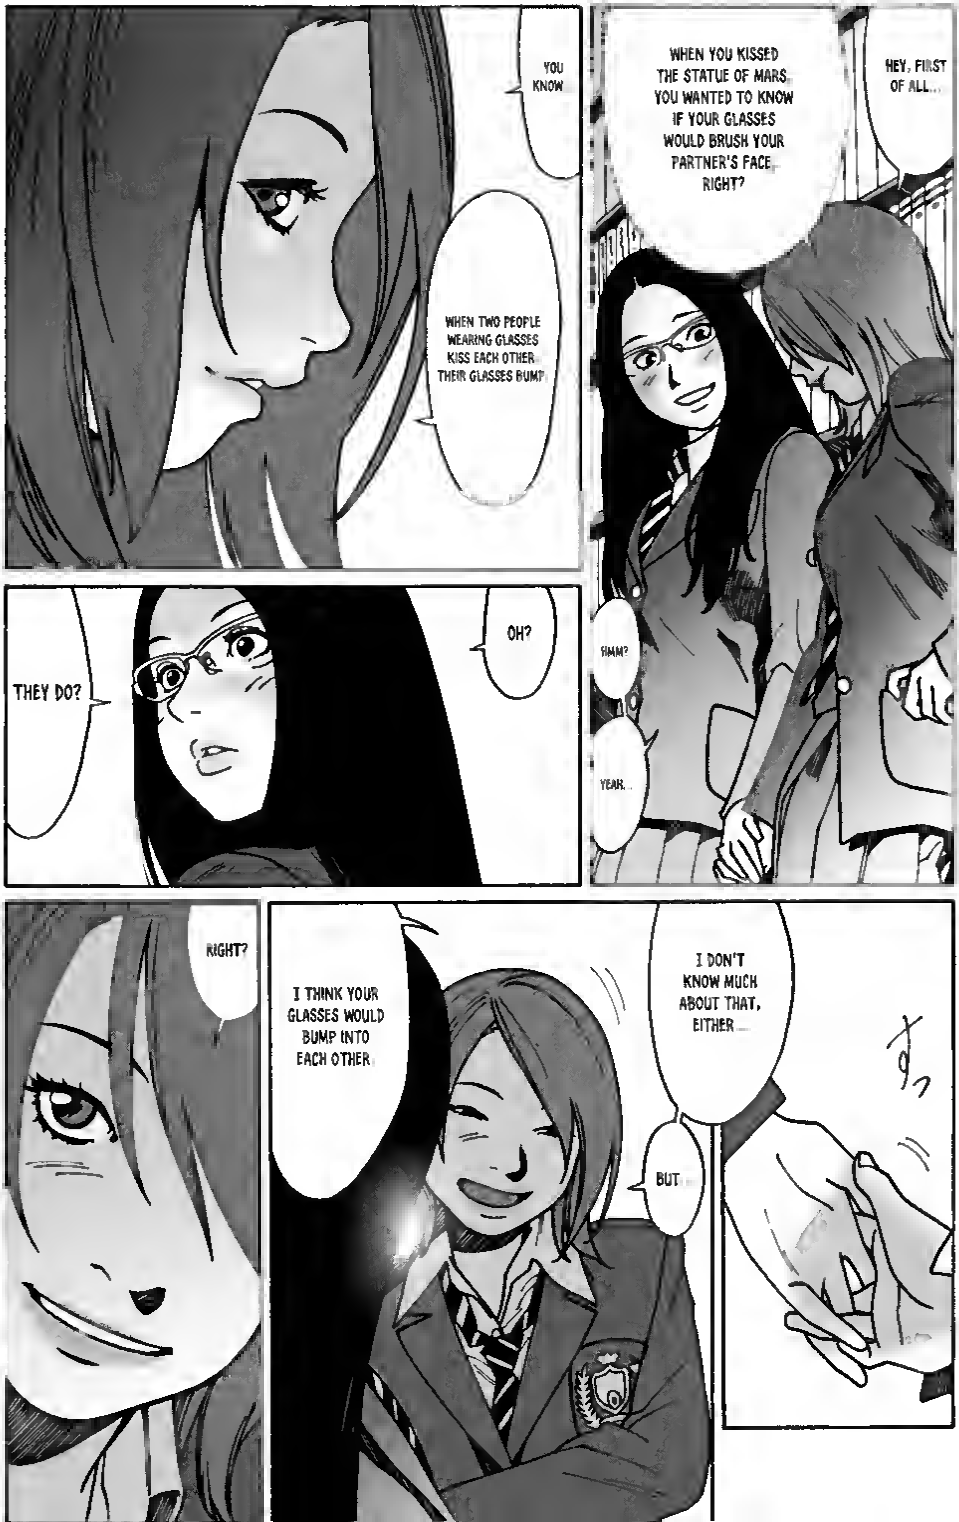
もじもじ
SO, YOU WON'T HAVE YOUR FIRST KISS RIGHT AWAY, RIGHT?
BUT HE'S ALSO GENTLE AND KIND
YEAH..
...
I SEE
...



YOU KNOW
WHEN TWO PEOPLE WEARING GLASSES KISS EACH OTHER, THEIR GLASSES BUMP
HEY, FIRST OF ALL...
WHEN YOU KISSED THE STATUE OF MARS, YOU WANTED TO KNOW IF YOUR GLASSES WOULD BRUSH YOUR PARTNER'S FACE, RIGHT?
HMM?
YEAH...
OH?
THEY DO?
RIGHT?
I THINK YOUR GLASSES WOULD BUMP INTO EACH OTHER.
I DON'T KNOW MUCH ABOUT THAT, EITHER...
BUT...

...
...
TAA-DAA!
THEY SUIT YOU.
IS THAT SO?
TO BE HONEST, THIS
THEY'RE CUTE
EEEH?

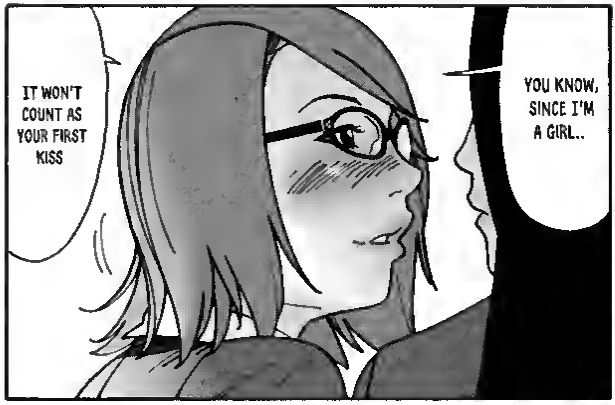
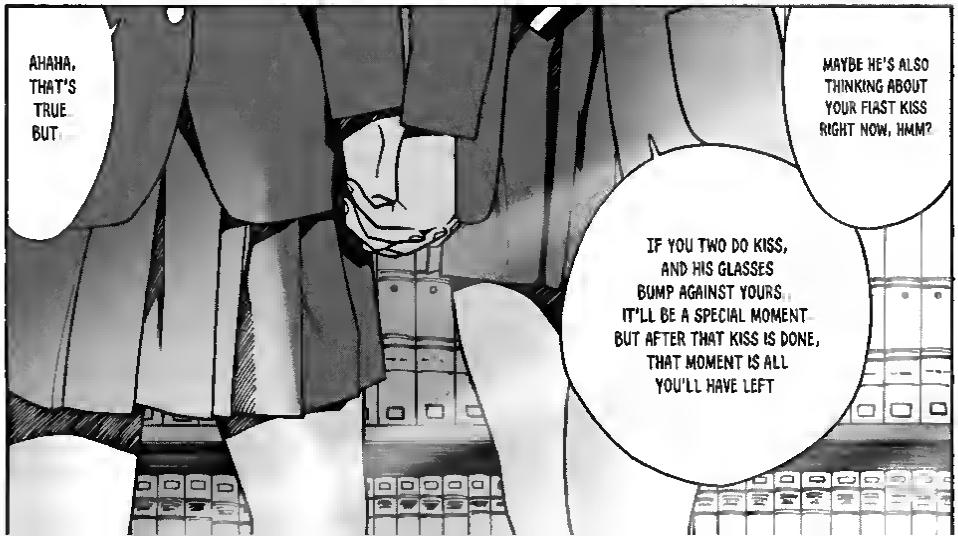
BUT
I GUESS.
RIGHT?
DON'T WORRY! WHILE WE'VE BEEN TALKING, ABSOLUTELY NO ONE HAS COME IN HERE.
IT'LL BE DONE IN THE BLINK OF AN EYE
NO ONE'LL SHOW UP IN SUCH A SHORT TIME
NOW'S OUR CHANCE RIGHT NOW

NO...
WHA—
IT'S NOT THAT AT ALL
NOT THAT, BUT—

...OH, AM I NOT GOOD ENOUGH TO KISS?



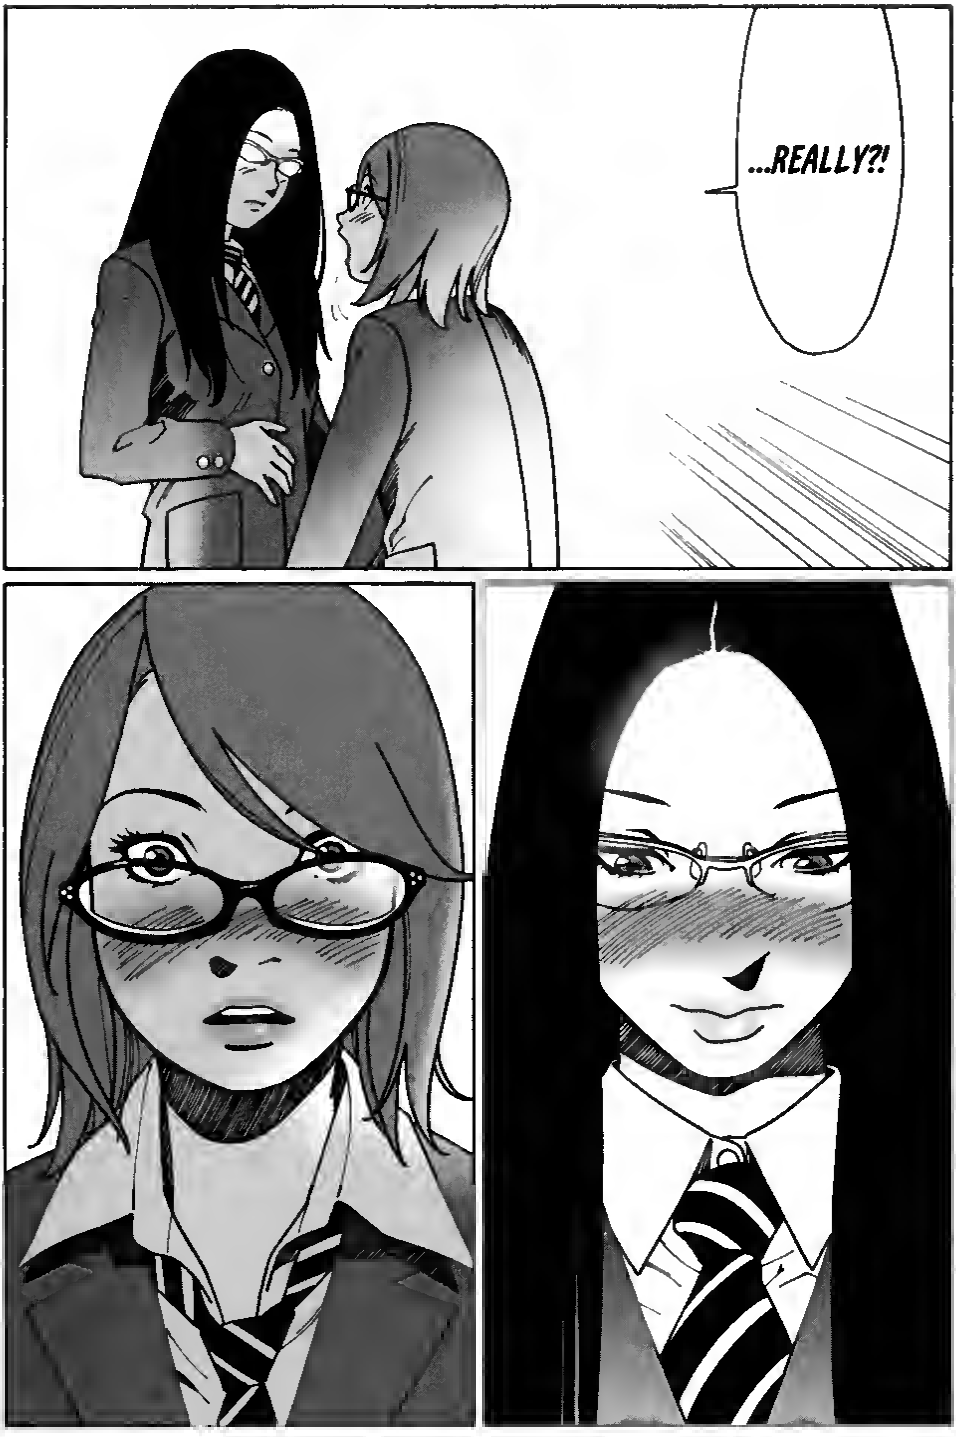
IT WON'T COUNT AS YOUR FIRST KISS
YOU KNOW, SINCE I'M A GIRL..



AHAHA, THAT'S TRUE BUT
MAYBE HE'S ALSO THINKING ABOUT YOUR FIRST KISS RIGHT NOW, HMM?
IF YOU TWO DO KISS, AND HIS GLASSES BUMP AGAINST YOURS, IT'LL BE A SPECIAL MOMENT BUT AFTER THAT KISS IS DONE, THAT MOMENT IS ALL YOU'LL HAVE LEFT

Because..
ズキッ
BECAUSE..
THIS IS GOING TO BE OUR FIRST KISS, RIGHT?
I WANT IT TO BE A KISS THAT'LL BE BURNED INTO OUR MEMORIES
THAT'S WHY I WANT TO GIVE YOU A GOOD KISS
...
BECAUSE YOU..
YOU ARE IMPORTANT TO ME, MIKI
...
...

SO LET'S TRY IT...
OKAY



...REALLY?!

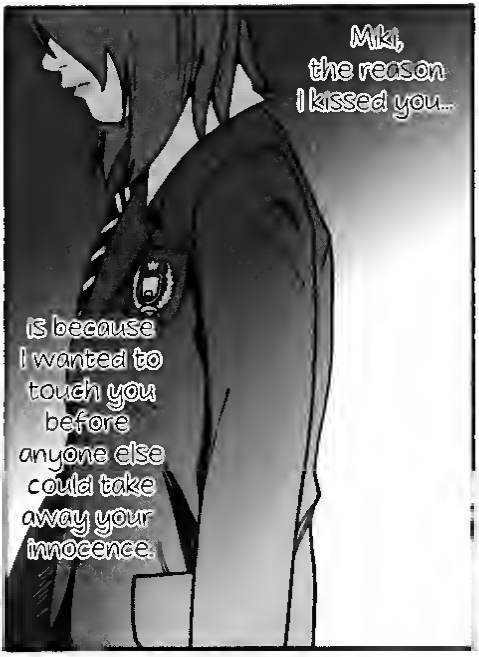
I...
I'm sorry, Miki...
That was a kiss...
Aaah... That...

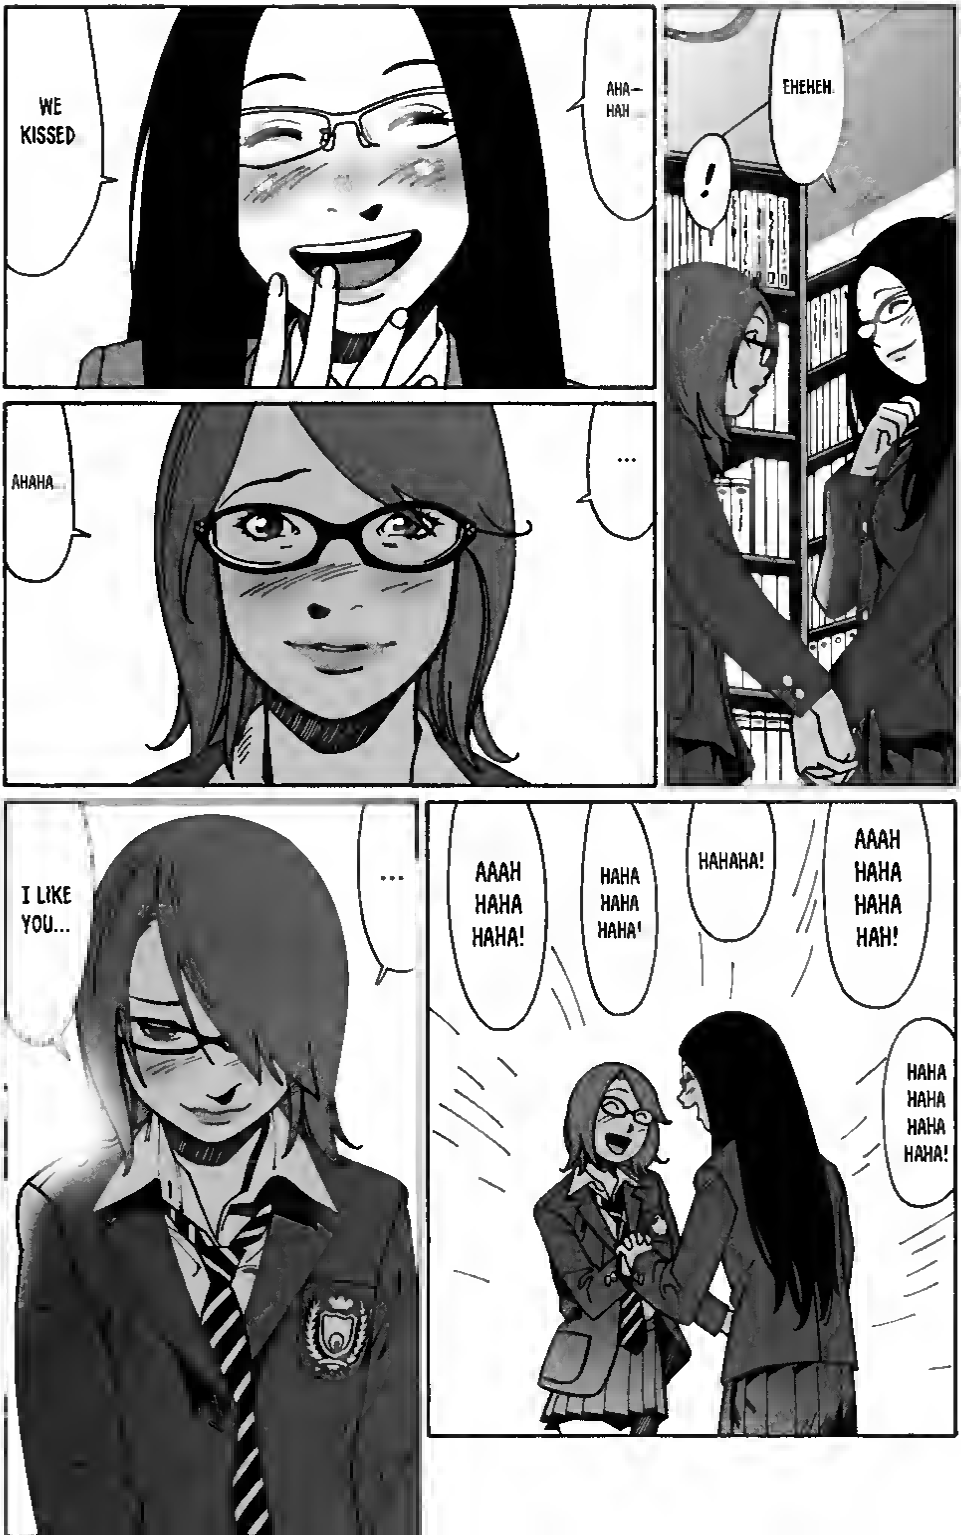
Your innocence away...
I took...

When you kissed that statue of Mars...
I wanted
To stop you with these hands of mine.

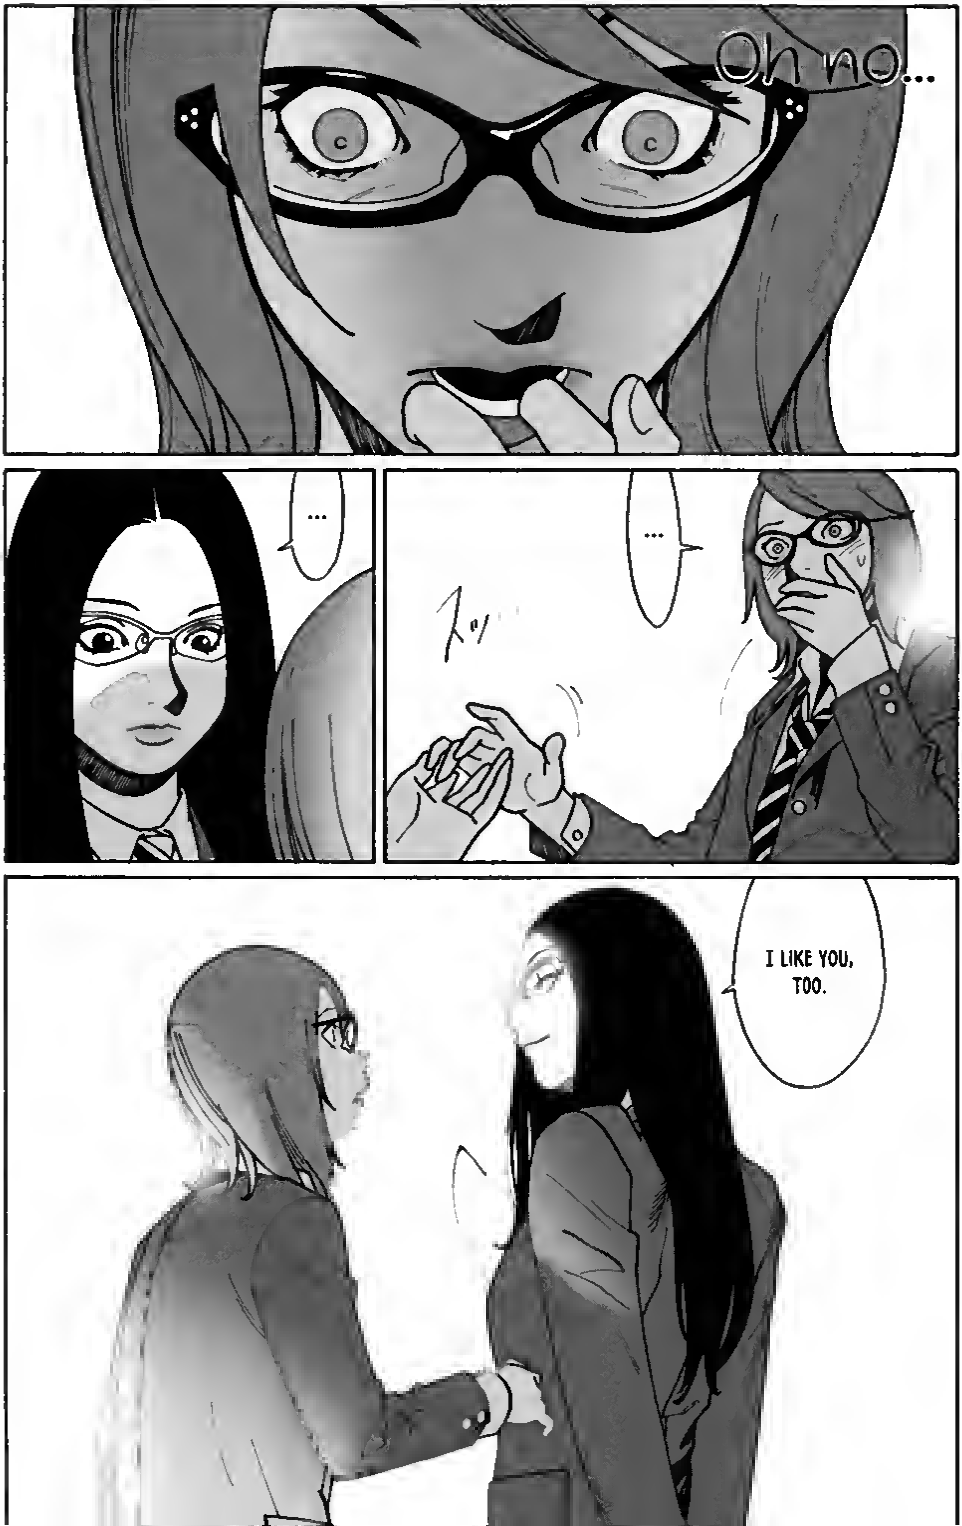


Miki, the reason I kissed you...
is because I wanted to touch you before anyone else could take away your innocence.

No matter how hard I tried...
I was helpless to resist...



WE KISSED
AHA— HAH
EHEHEH
!
AHAHA
...
I LIKE YOU...
...
AAAH HAHA HAHA!
HAHA HAHA HAHA!
HAHAHA!
AAAH HAHA HAHA HAH!
HAHA HAHA HAHA HAHA!



Oh no...
...
...
I LIKE YOU, TOO.

AHA—
...
From now on, No matter what happens... I will always be by her side.
It's okay. Even if the way we "like" each other is different...

I like Miki.

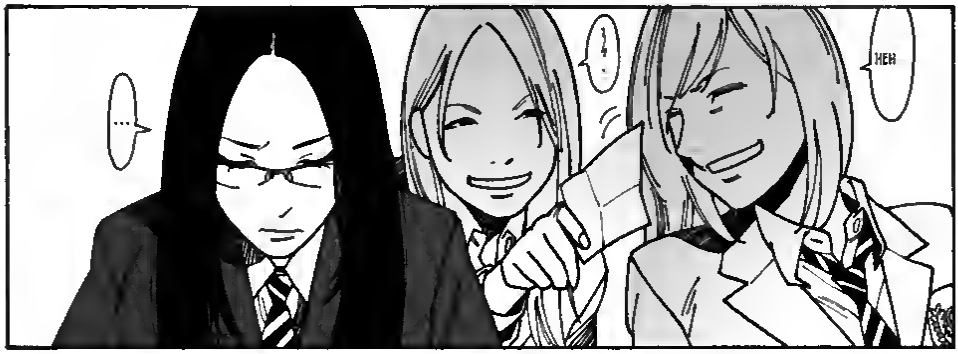
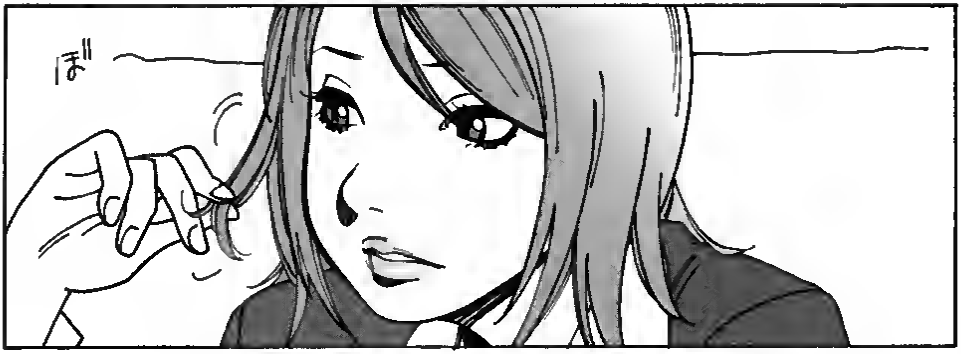
After that, the time came for the new seating arrangement in class...
And my seat was separated from Miki's...

It may be an exaggeration,
but when things are going like this...

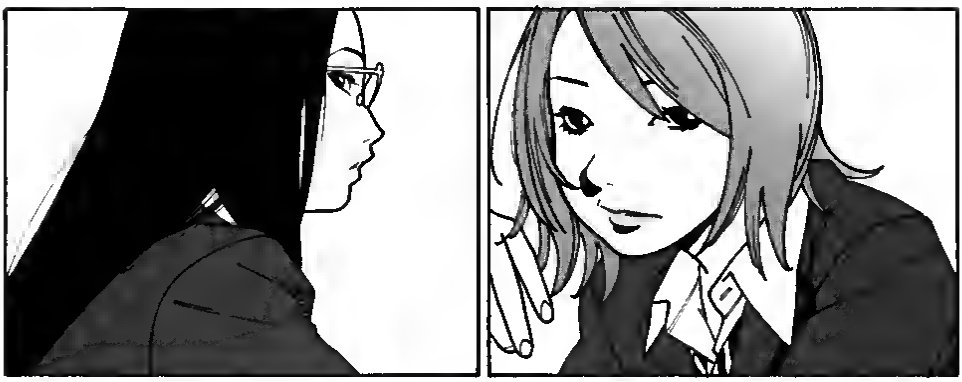
Time flies so fast.



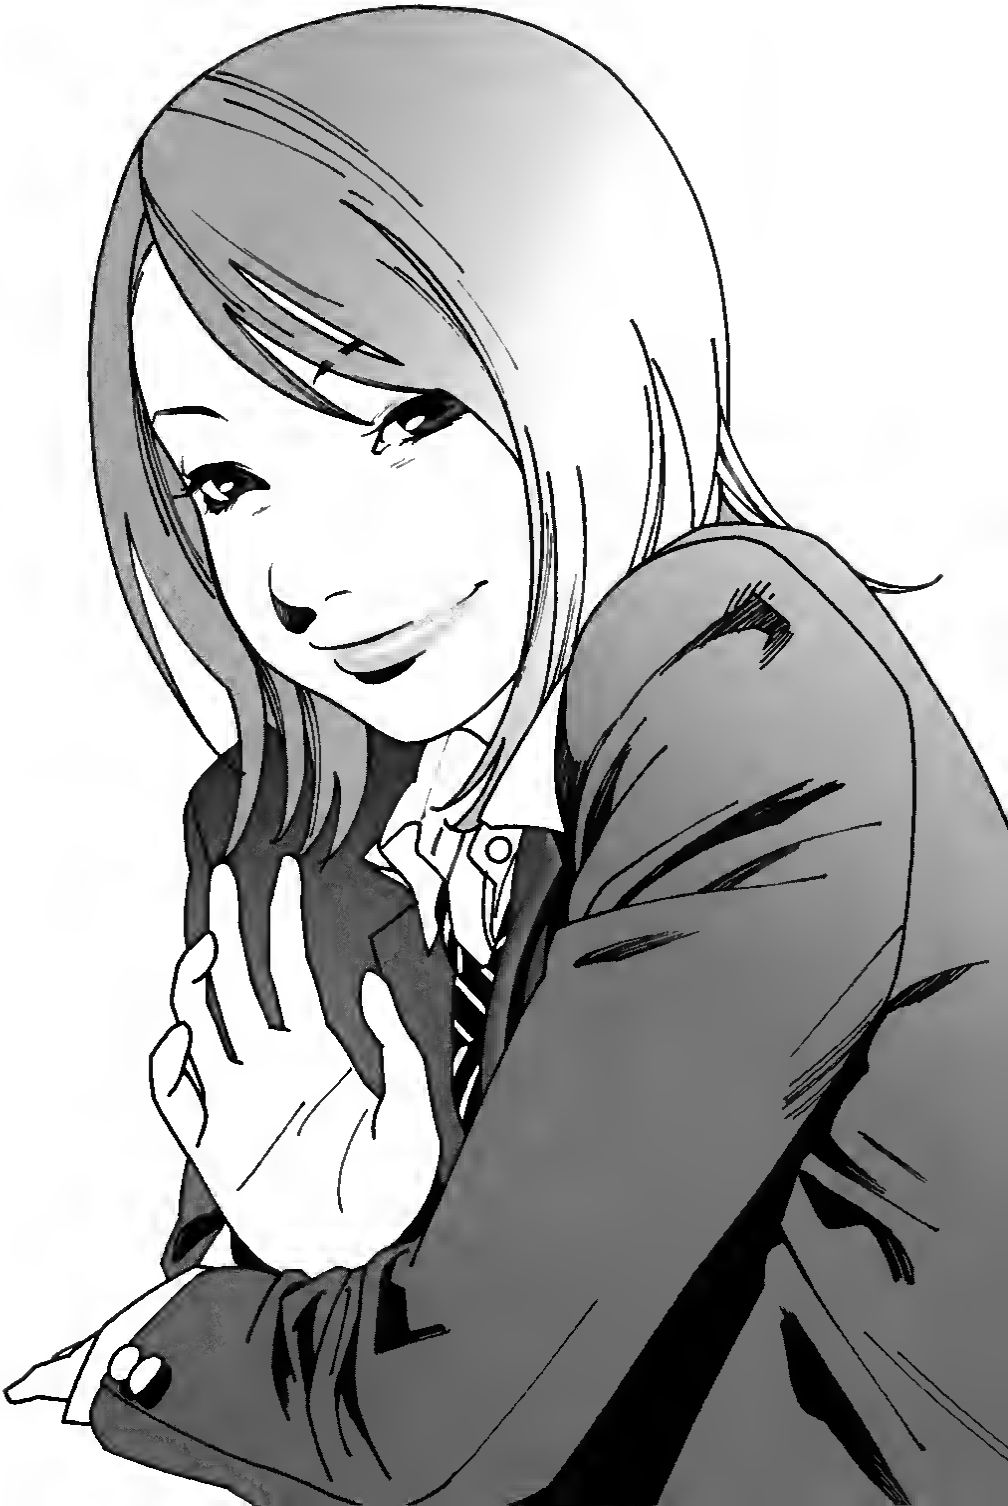


In the future, maybe we'll switch to different classes,
or go to a university and have our own lives...

And our time together may become shorter and shorter...



Even so...



It's okay, because we'll

definitely be together...

Forever and always.
